

LTDC successfully completed its MTO (9th batch) Foundation Training Course for the 1st Group.

LTDC successfully completed its MTO (9th batch) Foundation Training Course for the 1st Group. This in-depth training course has brought about the competence and confidence in the MTOs and motivated them to work together. The training program created a productive environment by building a strong and knowledgeable employee. The variety of teaching techniques and training materials helped participants to retain what they learned. LTDC used experts from BIBM, Bangladesh Bank and among own people as facilitators.

Therefore, the training had an overall positive impact on the participants and gave rise to team work as well as excellence.
